"Emma is a master of her craft, an absolute beast of an artist with the delicate touch of a poet."—Emily Carroll (*Through the Woods*)

A gorgeous and brutal story that revolts against the notion of violence as the only response to a life without hope.

The Sea, secretly more complex than anyone imagined, rises one day. The horizon folds as the Sea absorbs the world and transforms everything that's been pulled inside it. Three kids find themselves unmoored and lost, but brought together by the physical and mental changes wrought by the tides and a desire to avoid harming any living creature.

ANZUELO is the new graphic novel by the Eisner award-winning cartoonist **EMMA RÍOS** (**PRETTY DEADLY**, **MIRROR**, **I.D.**).
